

RANDALL CHILDREN'S HOSPITAL

LEGACY EMANUEL

2023 Donation Guidelines and Child Life Program Wish List

This wish list consists of toys and activities which can be enjoyed by hospitalized patients throughout the year. Donations are distributed by staff for various celebrations, our weekly BINGO game, as motivation for healing, and for overall coping with being in the hospital. Donations will also be used to stock our playrooms and for patients to use while they are admitted. Small toys/activities valued between \$5 and \$20 are preferred.

Please note our toy donation guidelines and restrictions:

- For the health and safety of our patients, **ALL donations must be BRAND NEW** and in the original packaging and/or with original tags attached (“Gently-Used” items are **NOT** accepted)
- Donations should not have been in storage for longer than one year – even if they have been stored in plastic containers and/or original packaging
- We are no longer able to accept donations of crocheted or knitted blankets or hats
- Please **do not wrap donations or combine donations to create gift bags**
- **No holiday or religious themed donations** (including during holiday season)
- **No weapons of any kind (including Nerf guns)**

Instructions for delivering gifts to Randall Children’s Hospital:

In-person donations will be accepted on a limited, prescheduled basis. For your convenience, we have a large donation bin at the outside entrance of Randall Children’s Hospital. Donation receipts are available on the bin and can be deposited with your new toy/activity donation.

If you would like to donate in person, we encourage you to participate in one of our Saturday **Donation Drive-Thru days** on **December 9 and December 16 from 10:00 a.m. to 3:00 p.m.** Please drive past the main entrance of Randall Children’s Hospital to a donation area to be greeted by Randall Children’s Hospital staff accepting new toy/activity donations. Donors are encouraged to remain in their vehicles. Donation receipts will be available upon request.

If you are unable to participate in one of our Saturday donation drive-thru dates and cannot use our donation drop off bin, please contact us at childlife@lhs.org or (503) 413-1370 to discuss alternate options.

Access to outdoor space and hospital buildings is strictly limited to patients and families only. Please take any photos of your donation prior to arriving. Groups will not be allowed to gather indoors or outdoors.
